

# **PUBLIC NOTICE**

## **FUTURE ENERGY PARK INC.**

### **ENVIRONMENTAL PROTECTION AND ENHANCEMENT ACT**

#### **NOTICE OF APPLICATION**

In accordance with the *Environmental Protection and Enhancement Act*, Future Energy Park Inc. (FEP), has applied for minor changes to the facility design of the proposed Biofuels facility to be located in an industrial area in the SE quadrant of Calgary. The changes include a height reduction of the flare stack and the removal of drift eliminators in connection to the closed loop cooling system from the approval. In addition, one grain receiving hopper will also be added bringing the total hoppers to two. Each hopper will include a dust control system.

The production capacity of the plant will remain at: 330 Million L/yr. of bioethanol with approx. 3.8 MCF/yr of renewable natural gas. The plant will be located along the edge of the City of Calgary within SE 01-024-29 W4M east of Stoney Trail and Peigan Trail SE.

A directly affected person may provide input into certain regulatory decisions, as allowed by the Environmental Protection and Enhancement Act (section 73). Specifically, any person who is directly affected by this application may submit a written statement of concern within 30 days of the date of this notice to:

Environment and Protected Areas  
Regulatory Assurance Section  
Approvals Unit  
5th Floor, South Petroleum Plaza  
9915 - 108 ST  
EDMONTON, AB T5K 2G8  
Email: [epa.epeaapplications@gov.ab.ca](mailto:epa.epeaapplications@gov.ab.ca)

The written statement of concern should include the following information to be assured it can be considered:

- The application number 002-487590.
- Describe concerns that are relevant to matters regulated by the Environmental Protection and Enhancement Act.
- Explain how the filer of the concern will be directly affected by the activities proposed in the application.
- Provide the legal land location of the land owned or used by the filer where the concerns described are believed to be applicable
- State the distance between the land owned or used by the filer and the site in the application.
- Contact information including the full name and mailing address of the filer. Please provide a telephone number and/or email address for ease of contact.

Environment and Protected Areas will review each written statement of concern, seek more information if needed, and concerns that are relevant to the application and for which the Director has delegated authority to address in the decision on the application, will be considered in the technical review of the application. The Public Notice of this application will also be posted on the Department's website at <https://avw.alberta.ca/PublicNoticesViewer.aspx>.

Statements of concern submitted regarding this application are public records which are accessible by the public and the applicant. Failure to file a statement of concern may affect the right to file a Notice of Appeal with the Environmental Appeals Board.

Copies of the application and additional information can be obtained from:
